January 15, 2025

Dear Community Supporter:

For the Past 15 years Connecting the Dots Foundation, Inc. has been serving communities by: making history, the installation of the first Woman Portrait in the Mississippi State Capitol, Representative Alyce Clarke; preserving history, financially supporting the preservation of historic buildings; education of our youth, given over \$100,000 in scholarships; and honoring many notable Women that their legacies can be drawn upon by future young women for inspiration that will propel them into leading notable lives themselves, and more.

As you are already aware, the month of March is **National Women's History Month**. The national theme for 2025 is, **"Moving Forward Together! Women Educating and Inspiring Generations."** This theme celebrates the collective strength and influence of women who have dedicated their lives to education, mentorship, and leadership. Throughout history, the process of information sharing has been a powerful catalyst for change. From the classrooms to boardrooms, from grassroots movements to global initiatives, women educators and leaders have played a pivotal role in nurturing minds and inspiring transformative action.

On March 29, 2025, at the Convention Center Complex, Connecting the Dots Foundation, Inc. (CTDF) will present the premier Women History event in the capitol city. We are asking you to consider supporting this great event. Our goal is to give 15 scholarships, commemorating each year of CTDF's community service, to young women who are embarking upon careers that **teach and inspire generations**. We are rewriting Women back into history. **"Our History is our Strength."**

In order for this event to be successful, it is vital that we have participation from perceptive and compassionate individuals, businesses and organizations. Your vision for building bridges and developing meaningful relationships has been recognized and is now being sought. We believe that your contribution would add to the deference that we desire to render to those we are celebrating. We need your support.

This event promises to be exciting and well-received by the community, as in past years. **It is a formal affair.** Attached is additional information concerning sponsorship. We look forward to a positive response soon. I can be reached at 601-813-5045. Thank you for your kind consideration.

Sincerely,

*Marilyn Johnson-Luckett, Founder*
